RE: Raised HB no.6355

Dear Assembly Members,

I respectfully urge you to OPPOSE HB 6355, An Act Concerning Risk Protection Orders or Warrants.

HB 6355 is another attempt in the long list of anti-gun bills looking to burden legal gun owners by stripping DUE PROCESS from the accused. It places the burden of proof on the gun owner instead of the accuser. Additionally, like all anti-gun owner legislation, the bill has a measure to , " (4)Penalize any such possession.", if accused, but provides no provision for how to penalize FALSE ACCUSATIONS.

Lastly, will the allowable metrics for making an accusation be based on facts or feelings? Connecticut already has mechanisms in place to address the concerns HB 6355 is attempting to address.

Once again I urge you to OPPOSE HB 6355.
